Agent: _____

Every week during the season three matches involving international or league sides will feature in Three 'n Easy. All you have to do is correctly predict the score in each of the matches selected. If there are any winners the prize money will be shared out evenly between the successful participants. In the case of nobody predicting all three scores correctly the weekly prize fund will increase by £30 each week until there is a winner. The prize fund always goes back to £100 in the event of someone winning.

Tickets must be completed & returned to either Ian Pearce or left behind the bar at FTFC before 3.00pm on the day of the match.
